### **KOHLER CREDIT UNION MAKES DONATION TO THE SHEBOYGAN MARSH**

Thanks to members of Kohler Credit Union's Golden Shares Club, the Sheboygan Marsh has received a donation to help in the funding of an observation tower and a web cam. The Golden Shares Club, open to Kohler Credit Union members age 62 and over, donated \$1140 from their holiday party.

The beautiful Sheboygan Marsh is a stretch of 14,000 acres with a large stretch of open water that is hidden by nearby vegetation and tall trees. From a tower's panoramic view, one will be able to experience breathtaking landscape, abundant wildlife and massive waterways. A web cam will be installed in order to provide those same experiences via the internet to those that might be disabled or unable to make the trip to the marsh.

Chair of the Marsh Park committee, Lil Pipping, and Co-Chair, Jim Baumgart, said of the donation, "We are very appreciative of the generosity exhibited by Kohler Credit Union's Golden Shares Club. Their donation helps to ensure that both young and old will be able to enjoy the beauty of the area for years to come. We still have a ways to go, but with the support of organizations like Kohler Credit Union we are sure to reach our goal."
