1997 FLEETWOOD PACE ARROW

Additional Information:

Great layout, with private bathroom, huge living room with china cabinet (glass doors and lit), sofa, and recliner. Exterior is in good condition, sidewalls are nice and clean, paint is faded but still decent, stickers look good with some cracking and peeling which is normal for this age. Interior is also in great condition. Additional pictures per request.

**Asking price: \$24,900
